

SeaGL 2025

FREEDOM IS IN THE CARDS

November 7th & 8th at the University of Washington
*Online streaming also available

CALL FOR PARTICIPATION

Submission deadline: June 15th

SeaGL is an annual community-focused conference supporting **free/libre/open** source software, hardware, and culture.

For enthusiastic newcomers to professionals, and everyone in between!

We are seeking presentations that explore the intersection of technology, community, and freedom via topics such as:

Cloud & Infrastructure

Open Source Careers

Community & Culture

Performance Art

Education

Security & Privacy

Languages & Tools

Systems & Platforms

Open Hardware

... and more!

Open Source AI & Data Science

Submit Your Proposals Today!

Everyone is invited to present,
no previous experience required.

[@seagl.org](https://seagl.org)

[@seagl@mastodon.social](https://seagl.org/cfp)

<https://seagl.org/cfp>

100% run by volunteers!
